Class Activity Feed / Pupil Activity Feed

Use the Class Activity Feed to quickly see the most recent activity across the class:

The screenshot shows the 'Demo Class' activity feed. On the left is a vertical sidebar with a user profile for 'Mr Newman' and a 'Home' button. The main header includes 'Demo Class' and a 'More' menu. Below the header are navigation tabs for 'Feed', 'Class', 'Groups', and 'Data'. A 'Back to the classic view' button is visible. The activity feed lists three items for '18 May':

- Read Pages 99 - 120 (Remus Lupin) - A Footballer Called Flip (Reading Book)
- Completed a book - A Footballer Called Flip (Reading Book)
- Reviewed a book ★★★★★ - A Footballer Called Flip (Reading Book) - It was an amazing book.

On the right, a 'Display' panel allows filtering the feed with checkboxes for: All, Completed Book, New Book Added, Reading Log - Teacher, Reading Log - Parent, Reading Log - Student, Book Review, and New Reading Band. An 'APPLY' button is at the bottom of the panel.

You can filter displayed information and click on a child to go into their specific page.

Individual activity feeds can be found by clicking on a child's page and the activity symbol:

This screenshot shows the individual activity feed for a child named 'Cho Chang'. The child's profile picture is a red smiley face with a lime status indicator. The navigation bar at the top includes 'All Books' and 'Active' filters. The activity feed shows a 'Read Pages 10 - 11' entry for 'The life of a little cardboard box (Group Book)'.

This will then show a detailed view of all reading activity that can be filtered:

This screenshot shows a detailed view of the activity feed for 'Mr Newman'. The feed is filtered to show only 'Read Pages' activities. The items are:

- 20 May: Read Pages 10 - 11 (Mr Newman) - The life of a little cardboard box (Group Book)
- 18 May: Read Pages 1 - 10 (Mr Newman) - The Jungle Book (Reading Book) - Great use of sounds today!
- 04 May: New Book Added - The Jungle Book (Reading Book)
- 29 Apr: Read Pages 1 - 55 (Mr Newman) - You CAN Try This at Home! (Reading Book) - Super sound work today!

The 'Display' panel on the right shows the same filter options as in the previous screenshot, with an 'APPLY' button.

You can download an individual child's reading activity by following clicking 'Download Activity' and then 'Request CSV file'.

You can then choose your filters and download the information. Please note: this feature is managed by the school administrator.

You can click on 'data' on a pupil's page to see any previously requested data downloads.
